Currently in England the public have a 'right to roam' in areas mapped as 'open country' (mountain, moor, heath and down) or 'common land' (land privately owned but registered as open to the public).

Would you support or oppose extending the 'right to roam' to most land and water in England, with exclusions such as for private gardens, land where crops are growing, and other sensitive areas like conservation and military sites?

Strongly support	28	21	38	32	35	23	33	24	28	30	30	23	30	26	28	25	34	28	21	30	30
